

## THE POST

<b>College:</b>	<b>College of Social Sciences and International Studies</b>
<b>Post:</b>	<b>Associate Research Fellow</b>
<b>Reference No:</b>	<b>Ref. No: R11516/P43839</b>
<b>Grade:</b>	<b>E</b>
<b>Reporting To:</b>	<b>Professor Ilan Pappé</b>

The above fulltime post is available 1/10/2012 to 30/9/2013 in the College of Social and Science and International Studies, Institute of Arab and Islamic Studies, European Centre for Palestine Studies (ECPS)

### **Job Description**

#### **Main purpose of the job:**

To carry out independent research in Palestine Studies, develop the academic profile of the ECPS and actively pursue funding to support the post graduate studies programme in Palestine studies, international workshops and conferences and a future E-journal of the ECPS. He/she will also supplement the teaching requirements of the Palestine programme in post graduate studies.

#### **Main duties and accountabilities:**

1. To undertake research as appropriate to the field of study including:
  - Writing up research work for publication;
  - Developing research objectives and proposals for own or joint research;
  - Making presentations at national and international conferences and similar events;
  - Dealing with problems which may affect the achievement of research objectives and deadlines;
  - Analysing and interpreting the results of own research and generating original ideas based on outcomes;
  - Using new research techniques and methods;
  - Using initiative and creativity to identify areas for research, developing new research methods and extending the research portfolio;
  - Using creativity to analyse and interpret research data and draw conclusions on the outcomes.
2. To contribute to teaching and to be involved in the assessment of student knowledge including assisting in the supervision of student projects and in the development of student research skills.
3. To work in collaboration with colleagues as appropriate to the field of study including:
  - Contributing to collaborative decision making within the research group;
  - Contributing to the production of collaborative research reports and publications.
  - Preparing papers and presenting information on research progress and outcomes to bodies supervising research, e.g. steering groups.
4. To communicate complex information, orally, in writing and electronically.
5. To prepare proposals and applications to external bodies, e.g. for funding and contractual purposes
6. To contribute to the planning of research projects.

7. To use research resources, laboratories and workshops as appropriate and to take responsibility for conducting risk assessments, reducing hazards and for the health and safety of others.
8. To monitor research budgets as appropriate.
9. To engage in continuous professional development and to be responsible for continually updating knowledge and understanding in field of study or specialism and for developing skills.

This job description summarises the main duties and accountabilities of the post and is not comprehensive: the post-holder may be required to undertake other duties of similar level and responsibility. Please visit the Human Resources website to view the Research Fellow role profiles.
